CSCS PARTNER PROGRAMME

Become a CSCS partner in your city.

Sell our ERP and hospital software to the businesses, clinics and hospitals you already know. You find the customer, and we set it up with you.

Earn a share of every licence you sell, every year it is renewed.

Choose how you want to work with us

Referral
Introduce a customer

- You make the introduction
- We do the rest

Reseller
Sell and support

- You sell and demonstrate
- You support your customers
- You order and pay online

Gold
Your own territory

- A territory of your own
- Setup
- Training

What you will sell

Entrexa ERP
ERP FOR EVERY BUSINESS
By Creative Software Consultancy Services

ERP for growing businesses. Purchase, sales, inventory, manufacturing, finance and payroll, with GST, e-invoice, e-way bill and TDS built in. Five plans, from Starter to Enterprise.

Mediekalp ERP
Smarter Healthcare. Better Connected.

Clinics and hospitals on one patient record. OPD, beds, laboratory, pharmacy and billing, with reports on WhatsApp. ABDM Milestones 1 to 4 are built and in sandbox testing.

Add-ons: School · Housing Society · Extra company · Data setup · Data export

HOW TO JOIN

Apply in two minutes

1

Fill the form

Choose company or individual. A company gives its GSTIN and state.

2

Verify WhatsApp

We send a 6-digit code to your WhatsApp number.

3

We call you

Our partner account manager calls you and approves you.

4

Sign in

Use your mobile or e-mail and a code. No password to remember.

Everything you need, in your partner login

See and order

- Every module with its price and your share
- What you pay CSCS, before you order
- A cart for each customer, with the GST worked out
- Requests for your customers, with the modules they need

Pay and track

- Pay online by UPI, card or net banking
- GST tax invoice in your name, when you give your GSTIN
- Confirmation on WhatsApp and e-mail
- A list of your own customers and orders

On your phone too. Download the Android Partner app at **cscs.businessautomationerp.com/app/partner**.

A company you can stand behind

16+	100+	8+	2010
years in business	ERP projects delivered	industry verticals	established in Jamshedpur

CSCS is a Microsoft Partner specialising in ERP, and builds its own products. Every plan includes setup help, updates and support.
